2018 Contractor Membership Renewal Notice

Continuing your membership with the MN PHCC as a Contractor Member gets you benefits at a state, national AND a local level*. Membership is at the company level and ALL employees receive the benefits!

More details can be found on the MN PHCC website as well as the PHCC National website. Company membership pricing for one calendar year is \$1,350 and runs January 1 - December 31.

- Receive one complimentary registration to MN PHCC's Annual Convention (which includes 8 hours of plumbing CE), OR any of our separate plumbing CE classes.
- All employees receive discounted registration rates to all MN PHCC events including plumbing CE classes, medical gas and several heating and mechanical classes.
- Discounts on MN PHCC business management classes and continuing education classes including plumbing, medical gas and more!
- Hands-on assistance in renewing your company's bonds
- All employees receive discounted registration rates to National PHCC events and conferences.
- Significant discounts through companies such as ExxonMobil gas, Chrysler trucks and vehicles, Enterprise Fleet Management, Aramark, and so many more!
- Company listing on online membership directory where the public can search for contractors to hire, based on location & services offered
- Networking opportunities on local, state, and national levels
- Exclusive access to training webinars through PHCC National's website
- Benefit from workforce programs developed by the PHCC Educational Foundation, such as scholarships, apprentice training, instructor workshops and more
- A subscription to MN PHCC's monthly magazine, Contractor
- A strong voice for our industry before the state legislature and plumbing board
- Access to discounted liability, and risk insurance programs through Federated Insurance
- Access to service contractor training through PHCC QSC
- Discounts on plumbing and HVAC training textbooks through PHCC—National
- Receive a complimentary subscription to PHCC National's online e-mail Weekly Newsletter
- Get Legislative & Regulatory Alerts
- Learn how to protect your business and your employees with PHCC Safety and Risk Management Resources
- Give your staff access to state-of-the-art technical training and prepare for new industry regulations
- Use PHCC's online discussion groups to ask questions, share ideas and get insights from contractors nationwide

*Applicable where local chapters are available.
